

# Macquarie Correctional Centre

<b>Client</b>	Hansen Yuncken
<b>Project</b>	Macquarie Correctional Centre
<b>Timeline</b>	\$25 million
<b>Value</b>	40 weeks

## Overview

Fleetwood Australia was engaged to design, manufacture, install and commission 4,000m<sup>2</sup> of modular buildings for the new 400-man Maximum Security Rapid Build Prison in Wellington, NSW.

## Solution

The modular buildings included a Gatehouse, Program Buildings, Clinic / Reception and Visitor Centre. The design and construction scope included ensuring all Hansen Yuncken, Justice Infrastructure and Correctional Services NSW build, safety and quality requirements were strictly adhered to.

## Benefits

- Achieving all Justice Infrastructure and Correctional Services NSW stringent security requirements
- Working closely with client, consultants and other stakeholders to complete the project in the required rapid timeframe
- Completing the modular buildings to the highest quality, within budget, within a rapid timeframe and with the look and feel of permanent construction
